

The Spotlight is on...

OUR NURSERY STAFF

Left to Right: Linda McCain and Bernadette Pascual

Bernadette Pascual, Nursery Coordinator...Bernadette “Bernie” Pascual came to work in our nursery through Linda McCain when, then MPC Pastor, Rev. Earl Bland, was looking for a nursery worker on Wednesday nights.

She worked as a Nursery assistant when Mimi England was the Nursery Coordinator . Among the first babies she took care of were Shelby Turner, Chase Gammage, John Ethan and Hank Sledge, Carly Krauth, Marissa Buck and Rachel Boggs.

She became the Nursery Coordinator about 3 years ago when Mimi England decided to concentrate on raising her growing family. She remembers taking care of Manny England, Ty Gammage, Giovanni Delgado, Terry Johnson, and Connie Bell's grandchildren when they were in town.

Bernie is thankful to Morrow Presbyterian Church for the opportunity to work in the nursery where she enjoys taking care of the children as she does not have any of her own.

She found MPC to be a very loving and friendly church. Bernie has been married to Rick Pascual for 19 years , and is currently pursuing her Bachelor of Applied Science in Administrative Management.

She is currently employed by Clayton State University as a part of the Building Service Crew.

Continued from the front...

Linda McCain, Nursery Assistant...Linda McCain has been working in the MPC nursery since 1994 when Bea Allen was the supervisor and Rev. Jim McNaull was the Pastor of Morrow Presbyterian Church. She has faithfully served in the nursery and has seen MPC led by 5 different Pastors, Rev. Jim McNaull , Rev. Earl Bland, Rev. Moss Robertson, Rev. Earl Stewart, and Rev. John Callahan. She has also continued to work in the nursery despite being diagnosed with breast cancer in 2007. She had to undergo surgery, chemotherapy and radiation, but in 2008 she was declared cancer free. She was thankful for the prayers of the Morrow Presbyterian Church congregation.

Among the first children she took care of were Katelyn Perry, Kimberly and Kevin Moriles , Corey Costa, Arrah & Allen Grant Jr., Lena and Alex Cook, and Emily and Bethany Chapman. She remembered that in 1995 there were several babies born in the church namely: Matthew Hooten, Kathlyn Moriles, Marissa McKee, Christopher Campbell, Jonathan Johnson and Lindsay Perry, all of whom are in college now. The nursery was pretty busy those days with Courtney Wall twins, Grayson, and Chase Gammage, Noah & Aaron Palmer, Hanna Warlick, Jordan Whatley, Brent & Amanda Siskey, Shelby and Colin Turner, Samantha Ray, Garrett Johnson, Ashlyn & Alyssa Tuttle, Christian McLeod and many more whose names she forgot. The last babies she took care of were Ty Gammage and Noah Henderson. She said that she enjoyed taking care of the children throughout the years.

Linda is retired from Clayton State College and is married to Charlie and she plans to help her son Kenneth and his wife Michelle in taking care of Leila and Kaitlyn, her grandchildren, as well as her special needs sister-in-law, Tracy.

Thank you, Linda, for serving MPC nursery all these years.
