

Operation Christmas Blessing

The Uptown Congregation expresses our heartfelt thanks to our Family Church, the Morrow Presbyterian Church for your gifts that enable us to continue the Operation Christmas Blessing. We're able to distribute rice and goodies to 65 family-beneficiaries and 30 church family-members, or a 95 families in all. Supposedly, it was planned on Christmas Day, but unfortunately, typhoon locally named Senyang struck. It was only on the first Sunday, January 4, 2015, that the distribution materialized; and a blessing in disguise for the rice and goodies were much more needed, making the Operation Christmas Blessing more timely and meaningful.

We would like to mention The Rev. Dr. John Callahan, Jr., your administrative Pastor; Robert and Sara Gore and all others that made the Operation Christmas Blessing successful. (Enclosed are pictures of the Operation Christmas Blessing.)

Again, thank you, and may God continue to add more power to our ministry.

Sincerely yours,

Rev. Al M. Tinio, Jr.
